

CENTRAL ARKANSAS TRANSPLANT SUPPORT GROUP

We are a unique group of individuals who have had or will soon be having an organ transplant (heart, lung, kidney, liver, and/or different organ).
We meet on the 2nd Monday of each month for dinner and conversation at a local restaurant.

We would like to invite you to join us at our next meeting. Whether you are a living donor, transplant recipient, or a donor family member, we would love for you to attend. This support group helps us share our stories and care for one another.
